Dear Mr. Miller:

We have completed our review of the response of your client, Ball State University, licensee of the above-noted stations, to the February 8, 2017 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

In accordance with Section 73.3527(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, the licensee must place copies of this letter, our audit letter, and the licensee's audit response in the stations' public inspection files. It must maintain these materials in the files until grant, by final order, of the next renewal application of the license to which the file pertains. Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3526(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our February 8, 2017 audit letter, and its audit response in the WIPB-TV online public inspection file. The materials must remain in the online public file until the next grant of the renewal application, by final order, of the license for the station.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
