Issue and Program List for: July August and September 2016

Issue One

**Indiana
Abortion Law**

	<i>Program / Description</i>	<i>Date</i>	<i>Time</i>	<i>Duration</i>	<i>Narration of type and description of program/segment</i>
	Morning Edition	07/01/16	05:44, 06:43, 07:43, 08:43	00:01:03	Indiana abortion law halted. A federal judge ruled parts of Indiana's new anti-abortion law unconstitutional, blocking them from taking effect.
	Morning Edition	07/01/16	07:20, 08:20	00:00:20	Gov. Pence disappointed with US District Judge decision to block state law banning abortions due to a fetus' genetic abnormalities
	Morning Edition	07/01/16	05:20, 06:20	00:00:14	State of Indiana has not said whether it will appeal a federal judge's ruling placing the new abortion law on hold while a lawsuit from Planned Parenthood plays out.
	Morning Edition	07/05/16	05:43, 06:43, 07:43, 08:43	00:00:30	A federal judge's decision to block a new Indiana abortion law is a setback for anti-abortion activists who backed the push to tighten state limits on the procedure that are already among the most strict in the country.
	ATC	07/07/16	17:30, 18:30	00:01:24	Indiana's new abortion law faces another challenge as the ACLU and Planned Parenthood seek to strike down a provision requiring women to have an ultrasound at least 18 hours before an abortion.
	ATC	07/07/16	16:04, 17:04, 18:04	00:01:10	Indiana currently has six clinics in four counties providing elective abortions. That means only about four percent of counties have abortion providers -- less than the average of 11 percent nationwide.
	Morning Edition	07/08/16		00:00:24	The American Civil Liberties Union of Indiana is challenging a new state requirement that women get an ultrasound at least 18 hours before they have an abortion. The Federal lawsuit filed Thursday contends the provision that took effect July 1 places an undue burden of women's rights to obtain an abortion. It was filed on behalf of Planned Parenthood of Indiana and Kentucky.
	Morning Edition	07/08/16	05:20, 06:20	00:00:30	Planned Parenthood is challenging another Indiana abortion law. One week after a federal judge put new abortion restrictions passed by the legislature on hold in another case, it challenges the law requires women seeking an abortion to get an ultrasound at least 18 hours before the procedure takes place.
	Morning Edition	07/08/16	05:43, 06:43, 07:43,	00:01:38	Indiana's new anti-abortion law faces another challenge as the ACLU and Planned Parenthood seek to strike down a provision requiring women to have an ultrasound at least 18 hours before an abortion. Indiana Public Broadcasting's Brandon Smith reports:
	Morning Edition	07/08/16	05:43, 06:43, 07:43,	00:01:10	Indiana currently has six clinics in four counties providing elective abortions. That means only about four percent of counties have abortion providers -- less than the average of 11 percent nationwide.
