

Quarterly Issues Report

WBST –Muncie, WBST -- WBSB—Anderson, WBSW—Marion, WBSJ—Portland, WBSH—Hagerstown					
Issue and Program List for: July, August and September 2017					
Issue One					
Muncie Schools					
	Program / Description	Date	Time	Duration	Narration of type and description of program/segment
	Morning Edition	7/3/17	06:04, 07:04, 08:04	00:01:19	Muncie Community School's board met for the first time since a state board selected the district's emergency manager. While no district official spoke about the decision, board members did talk about teacher resignations and how the board will change when Administrator Assistance takes over.
	Morning Edition	7/11/17	04:30, 05:30, 05:43, 06:30, 06:43, 07:43, 08:43.	0:01:40	Muncie Community Schools officials say the school will run out of money soon if changes aren't made. It's a line that's been repeated for months. But at a Tuesday night board meeting, the district backed it up with facts. As IPR's Tony Sandleben reports, the school board heard from its new emergency management team for the first time.
	Morning Edition	8/3/17	05:04, 06:04	0:00:49	Muncie Community Schools will cancel classes Friday for a second day in a row over busing problems that arose on its first day of the school year. As IPR's Stephanie Wiechmann reports, this was to be the first week of runs for the district's new busing company.
	Morning Edition	8/3/17	05:20, 06:20	0:01:30	Muncie Community Schools has cancelled classes on the second day of the new school year because of widespread bus route problems with its new bus company. Angry parents complained to the district and on social media Wednesday that buses were late, drove by their children at bus stops without stopping, or never appeared at all.
	Morning Edition	8/3/17	7:20, 8:20	00:00:20	School is out in Muncie today and the reason is bus route problems
	Morning Edition	8/3/17	16:00,	00:00:40	Muncie Community Schools are holding a press conference at 4:15 to discuss the district's busing problems...and whether or not classes will be cancelled again tomorrow.
	All Things Considered	8/3/17	17:00, 18:00	00:00:59	Muncie Community Schools are holding a press conference at 4:15 to discuss the district's busing problems...and whether or not classes will be cancelled again tomorrow.
	Morning Edition	8/3/17	05:43, 06:43, 07:43, 08:43	0:01:30	Muncie Community Schools has cancelled classes on the second day (THURS) of its new school year because of widespread bus route problems with its new bus company. Angry parents complained to the district and on social media Wednesday that buses were late, drove by their children at bus stops without stopping, or never appeared at all.
	Morning Edition	8/3/17	06:04	0:00:35	Muncie Community Schools has cancelled classes on the second day of its new school year because of widespread bus route problems with its new bus company. Angry parents complained to the district and on social media Wednesday that buses were late, drove by their children at bus stops without stopping, or never appeared at all.
	Morning Edition	8/3/17	06:04, 07:04, 08:04	00:00:15	Classes are off, again, today for the Muncie Community Schools as the district continues to deal with a transportation crisis that hit the school district Wednesday with hundreds of students not getting to and from school on time.
	Morning Edition	8/3/17	07:04, 08:04	0:01:00	Problems with bus transportation on the first day of school in Muncie, yesterday, have prompted officials to cancel classes for today. Muncie Community Schools says in a statement that schools are closed Thursday as staff, the district's new transportation company and others review transportation plans. The district apologized for the inconvenience and says it wants to ensure it avoids future problems.

	Morning Edition	8/3/17	07:04, 08:04	0:00:50	Problems with bus transportation on the first day of school in Muncie, yesterday, have prompted officials to cancel classes for today. Muncie Community Schools says in a statement that schools are closed Thursday as staff, the district's new transportation company and others review transportation plans. The district apologized for the inconvenience and says it wants to ensure it avoids future problems.
	Morning Edition	8/3/17	07:20, 08:20	0:01:10	School is out in Muncie today and the reason is the bus route problems. School officials cancelled classes today after fielding numerous angry reports from parents who said their children's busses were as much as an hour late, or that busses passed by waiting students. Some parents said some busses did not show up at all.
	All Things Considered	8/3/17	16:00	0:02:00	Muncie Community Schools officials are holding a press conference at 4:15 to discuss the district's busing problems ... and whether or not classes will be canceled again tomorrow. We'll have more on that announcement at 5 o'clock. Angry parents complained to the district and on social media Wednesday that buses were late, drove by their children at bus stops without stopping, or never appeared at all. MCS cancelled classes today to "review" the transportation plan.
	All Things Considered	8/3/17	17:00, 18:00	0:01:00	Muncie Community Schools will cancel classes for a second day in a row over busing problems that arose on its first day of the school year Wednesday. At a press conference this afternoon, district officials said the bus routes from new busing company Auxilio Services weren't "redone as they should have been."
	Morning Edition	8/4/17	5:20	0:00:30	Classes are off, again, today for the Muncie Community Schools as the district continues to deal with a transportation crisis, that hit the school district Wednesday with hundred of students not getting to and from school on time. MCSC Emergency Manager Steve Wittennaur says the district is working hard to get bus routes done on time. The Indiana Department of education is intervening as well.
	Morning Edition	8/4/17	05:43, 06:43, 07:43, 08:43	0:00:59	Muncie Community Schools will cancel classes today for a second day in a row over busing problems that arose on its first day of the school year, Wednesday. As Indiana Public Broadcasting's Stephanie Wiechmann reports, this was to be the first week of runs for the district's new busing company.
	Morning Edition	8/4/17	06:04, 07:04, 08:04	0:00:20	Classes are off, again, today for the Muncie Community Schools as the district continues to deal with a transportation crisis, that hit the school district Wednesday with hundred of students not getting to and from school on time. MCSC Emergency Manager Steve Wittennaur says the district is working hard to get bus routes done on time. The Indiana Department of education is intervening as well.
	Morning Edition	8/4/17	06:04, 07:04, 08:04	0:01:28	The Muncie Community Schools board met on Thursday night, but it wasn't to talk about the busing issues that cancelled classes for two days. Members were interviewing candidates to replace elected board member and now-emergency manager Steve Edwards. And though the city has known about the district's dismal financial situation for months, that didn't stop several people for applying for the appointment.
	Morning Edition	8/4/17	06:20, 07:20, 08:20	0:01:00	Classes have been cancelled for a second day in a row in the Muncie Community Schools. The district is still trying to iron out its transportation issues from Wednesday. Busses were late, or passed by waiting students or did not show up at bus stops at all. The MCS emergency management team, the state Department of Education, and system officials are sorting out bus problems. The Star Press reports one fifth of the system's bus drivers quit just days before the first day of classes, Wednesday.
	All Things Considered	8/4/17	16:30, 17:30, 18:30	0:01:28	The Muncie Community Schools board met on Thursday night, but it wasn't to talk about the busing issues that cancelled classes for two days. Members were interviewing candidates to replace elected board member and now-emergency manager Steve Edwards. And though the city has known about the district's dismal financial situation for months, that didn't stop several people for applying for the appointment. As IPR's Tony Sandleben reports, Thursday's meeting brought an even clearer picture that MCS needs guidance.
	Morning Edition	8/7/17	07:04, 08:04	0:00:20	School is on, today, in Muncie. The Muncie Community School system says classes are in session, today, after losing two days last week to transportation difficulties. The system's Facebook page says updated bus numbers, routes, and names of bus drivers are on the system's school websites.

	Morning Edition	8/7/17	06:43	0:00:35	The Muncie Community School system says classes are in session, today, after losing two days last week to transportation difficulties. The system's Facebook pages says updated bus numbers, routes, and names of bus drivers are on the system's websites. The district says elementary students who ride the buses will be dismissed at 2:00 p.m. Students who are picked up will be dismissed at 2:15 p.m., and students who walk will be dismissed at 2:30 p.m.
	Morning Edition	8/7/17	07:43, 08:43	0:01:00	The Muncie Community Schools system says it has resolved problems with bus transportation that prompted the cancellation of two days of school last week. Classes resume today in the Muncie Community Schools district with some adjustments in the daily schedule for elementary students. Details are being posted on the district's website .
	Morning Edition	8/8/17	05:43, 06:43, 07:43, 08:43	0:00:20	State education officials monitored Muncie Community Schools on Monday to see how the district is responding to busing problems that cancelled two days of classes last week. As Indiana Public Broadcasting's Stephanie Wiechmann reports, the district's brand new busing contract is saving money, but not frustration.
	Morning Edition	8/8/17	06:04, 07:04, 08:04	0:01:15	The Muncie Community Schools emergency manager, Administrator Assistance, says the state Department of Education Director of School Transportation was at Muncie schools Monday. The team quotes Michael LaRocco as saying that Monday's buses ran as a "normal start to a school year." He also called the transportation situation "not perfect" but points out that students made it to and from school safely. After the first day of the new school year, MCS officials cancelled classes on Thursday and Friday last week because of mass problems with busing students.
	Morning Edition	8/8/17	06:20, 07:20, 08:20	0:01:45	Some successes and still a number of frustrations were noted Monday, for parents, their children, and officials with The Muncie Community Schools. MCS emergency manager, Administrator Assistance, says the state Department of Education Director of School Transportation was at Muncie schools Monday. Michael LaRocco the DOE transportation director, said Monday's buses ran as a "normal start to a school year." He also called the transportation situation "not perfect" but points out that students made it to and from school safely.
	Morning Edition	8/9/17	05:43, 06:43, 07:43	0:00:30	After beginning the school year with busing issues that put Muncie Community Schools into the news again, those at Tuesday night's school board meeting got to hear more about why transportation changes were made in the first place - the district's precarious financial situation.
	All Things Considered	8/9/17	16:30, 17:30, 18:30	0:01:50	After beginning the school year with busing issues that put Muncie Community Schools into the news again, those at Tuesday night's school board meeting got to hear more about why transportation changes were made in the first place - the district's precarious financial situation.
	Morning Edition	8/22/17	04:04, 05:04, 06:04	0:01:16	After many months making statewide news because of financial troubles, Muncie Community Schools has lost nearly five hundred students, according to preliminary enrollment numbers. IPR's Tony Sandleben reports.
	Morning Edition	8/23/17	07:43, 08:43	0:00:10	After many months making statewide news because of financial troubles, Muncie Community Schools has lost nearly five hundred students, according to preliminary enrollment numbers. IPR's Tony Sandleben reports.
	Morning Edition	8/23/17	16:00, 17:00, 18:00	0:00:10	After many months making statewide news because of financial troubles, Muncie Community Schools has lost nearly five hundred students, according to preliminary enrollment numbers. IPR's Tony Sandleben reports.
	Morning Edition	9/13/17	05:43, 06:43, 07:43, 08:43	0:00:15	To fix its financial deficit, Muncie Community Schools may be cutting some classroom programs. As IPR's Tony Sandleben reports, school closures and privatizing services have not made enough of a dent.
	All Things Considered	9/13/17	16:00, 17:00	0:00:15	To fix its financial deficit, Muncie Community Schools may be cutting some classroom programs. As IPR's Tony Sandleben reports, school closures and privatizing services have not made enough of a dent.

	Morning Edition	9/14/17	06:43, 07:43, 08:43	0:02:00	The first of three town hall meetings on the needs of the Muncie community and the city's interfacing with Ball State, was held last night at Southside Middle School. Ball State President Geoffrey Mearns and other leaders from the university and the city of Muncie fielded questions from the public about how to improve education connections within the city.
	Morning Edition	9/15/17	06:04, 07:04, 08:04	0:00:40	Students in the Muncie Community Schools will have to make up the two days of classes that were cancelled last month because of widespread bus transportation troubles. District Superintendent Steve Baule says the Indiana Department of Education denied a request for a waiver to not make up those days. Baule says the district is considering when to schedule the make-up days.
	Morning Edition	9/15/17	06:43, 07:43, 08:43	0:01:00	Students in the Muncie Community Schools will have to make up the two days of classes that were cancelled last month because of widespread bus transportation troubles. District Superintendent Steve Baule says the Indiana Department of Education denied a request for a waiver to not make up those days. Baule says the denial was expected and that the district is considering when to schedule the make-up days.
	Morning Edition	9/18/17	05:43, 06:43, 07:43, 08:43	0:00:50	Muncie Community Schools also hired Auxilio to handle its bus routes, but decided to cancel multiple days of classes the first week of school because of widespread problems. In Muncie, local and state officials assured parents that fixes to the busing situation were coming. This week, the Muncie Community Schools board cancelled a contract with True Consultants, the third-party service that mapped bus routes for Auxilio.
	Morning Edition	9/19/17	07:04, 08:04	0:01:00	\$700,000. That is the amount Muncie Community Schools Teachers have agreed to repay the financially strapped school system for underpayment of health insurance premiums over the past two school years. The Star Press reports the system's teachers entered a memorandum of agreement spreading the paybacks over 18 pay periods -- this according to Steve Edwards, the state-appointed emergency manager of the district.
Issue Two					
Marsh Bankruptcy/ Food Deserts					
	<i>Program / Description</i>	<i>Date</i>	<i>Time</i>	<i>Duration</i>	<i>Narration of type and description of program/segment</i>
	Morning Edition	7/19/17	05:43, 06:43, 07:43, 08:43	0:00:48	Muncie's two former Marsh stores now owned by a Kroger subsidiary will open under the Pay Less name, the company has confirmed today.

	Morning Edition	9/14/17	06:43, 07:43, 08:43	0:01:29	The first of three town hall meetings on the needs of the Muncie community and the city's interfacing with Ball State, was held last night at Southside Middle School. Ball State President Geoffrey Means and other leaders from the university and the city of Muncie fielded questions from the public about how to improve education connections within the city.
Issue Four					
Health Care Bills In Congress, Medicaid and					
	<i>Program / Description</i>	<i>Date</i>	<i>Time</i>	<i>Duration</i>	<i>Narration of type and description of program/segment</i>
	Morning Edition	7/1/17	04:04, 05:04, 06:04	00:01:35	Medicaid spending on opioid addiction treatment in Indiana nearly doubled between 2015 and 2016, according to the DC-based think tank the Urban Institute.
	Morning Edition	7/3/17	05:20, 06:20, 07:20, 08:20	00:00:17	Indiana Senator Joe Donnelly says there's room to reform the federal health care law, if majority Republicans will come to the bargaining table.
	Morning Edition	7/4/17	06:04, 07:04, 08:04	00:00:18	Medicaid spending on opioid addiction treatment in Indiana nearly doubled between 2015 and 2016, according to the DC-based think tank the Urban Institute.
	Morning Edition	7/5/17	05:20, 06:20, 07:20, 08:20	00:00:27	If you're a Medicaid member in Indiana, you could be receiving a letter about a possible data breach involving your personal information. According to DXC Technology, the fiscal agent for the Indiana Health Coverage Program, an internet hyperlink containing patient information was potentially accessible between February and May of this year.
	Morning Edition	7/5/17	06:04	00:01:21	Medicaid spending on opioid addiction treatment in Indiana nearly doubled between 2015 and 2016, according to the DC-based think tank the Urban Institute.
	Morning Edition	7/5/17	07:04, 08:04	00:00:56	More than half of Indiana counties don't have mental health care options available. Indiana Public Broadcasting's Jill Sheridan reports on a new bipartisan proposal in congress to increase the number of providers specializing in addiction treatment.
	All Things Considered	7/11/17	16:30, 18:00	00:00:56	Governor Eric Holcomb indicated today (TUES) that he'll publicly share information on the impact of the federal health care reform legislation to the state of Indiana.
	Morning Edition	7/12/17	05:43, 06:43, 07:43, 08:43	00:00:56	Governor Eric Holcomb indicated today (TUES) that he'll publicly share information on the impact of the federal health care reform legislation to the state of Indiana.
	Morning Edition	7/13/17	05:43	00:00:54	Vice President Mike Pence says the revised health care bill being offered by Senate Majority Leader Mitch McConnell will "begin the end" of former President Barack Obama's health care law.
	Morning Edition	7/13/17	06:20, 07:20, 08:20	00:00:15	The Holcomb administration is keeping an eye on efforts to craft a health care bill, and what it might cost Indiana
	Morning Edition	7/17/17	06:04, 07:04, 08:04	00:00:20	School services could be dramatically affected as lawmakers seek to replace and repeal the Affordable Care Act.

	All Things Considered	7/14/17	16:00, 17:00, 18:00	00:01:12	Medicaid spending on opioid addiction treatment in Indiana nearly doubled between 2015 and 2016, according to the DC-based think tank the Urban Institute.
	All Things Considered	7/18/17	16:04, 17:04, 18:04	00:01:22	In May, Indiana submitted a proposal to the federal government to make changes to its unique Medicaid program, HIP 2.0. The state wants to require members to work, study, or volunteer in order to receive benefits. As Jake Harper with Side Effects Public Media reports, now some citizens and organizations are expressing concerns over the plan.
	Morning Edition	7/19/17	06:04, 07:04, 08:04	00:01:45	Local health care advocacy groups are tentatively celebrating news that the Senate's latest health care bill is dead.
	Morning Edition	7/19/17	05:43, 06:43, 07:43, 08:43	00:01:22	In May, Indiana submitted a proposal to the federal government to make changes to its unique Medicaid program, HIP 2.0. The state wants to require members to work, study, or volunteer in order to receive benefits. As Jake Harper with Side Effects Public Media reports, now some citizens and organizations are expressing concerns over the plan.
	Morning Edition	7/21/17	05:43, 06:43, 07:43, 08:43	00:00:50	Gov. Eric Holcomb has submitted a finalized proposal allowing for changes to the state's Healthy Indiana Plan 2.0 serving more than 400,000 low-income Hoosiers
	Morning Edition	7/21/17	06:04, 07:04, 08:04	00:00:26	Gov. Eric Holcomb has submitted a finalized proposal allowing for changes to the state's Healthy Indiana Plan 2.0 serving more than 400,000 low-income Hoosiers
	All Things Considered	7/24/17	16:32, 17:32, 18:32	00:01:30	While US Senators are still unsure WHAT health care bill they'll be voting on this week, Indiana Public Broadcasting's Jill Sheridan reports Indiana's Senators ask for more discussion.
	Morning Edition	7/25/17	05:44, 06:44, 07:43, 08:43	00:01:30	While US Senators are still unsure WHAT health care bill they'll be voting on this week, Indiana Public Broadcasting's Jill Sheridan reports Indiana's Senators ask for more discussion.
	Morning Edition	7/26/17	05:20, 06:20, 07:20, 08:20	00:00:25	There was drama in the Senate on a vote to debate a health care bill -- but none of it involved Indiana's senators. Republican Todd Young and Democrat Joe Donnelly made clear in advance they'd cast opposite votes on whether to keep the health debate alive.
	Morning Edition	7/26/17	05:43, 06:43, 07:43, 08:43	00:00:53	Indiana's two senators were split in Tuesday's Senate vote in favor of beginning a debate on a replacement for the Affordable Care Act.
	Morning Edition	7/27/17	05:20, 06:20, 07:20, 08:20	00:00:18	Senator Joe Donnelly's amendment to protect Medicaid from deep cuts under the Healthcare Bill has failed. With 52 Senators voting in the negative the amendment fell short. Donnelly said before the vote that thousands of Hoosiers and American depend on Medicaid, and that cuts are not the answer.
	All Things Considered	7/27/17	16:32, 17:32, 18:32	00:00:56	Governor Eric Holcomb continues to avoid specifics when it comes to the impact federal health care reform could have on the state.

	Morning Edition	07/06/17	05:20, 06:20, 07:20, 08:20	0:00:27	Governor Eric Holcomb says the state is giving heroin addicts in five Indiana counties a new avenue to get well. Speaking at a press ocference in Greenwood Wednesday, Holcomb and Indiana Family and Social Services Secretary Dr. Jennifer Walthall, said that the state is opening new opioid treatment facilities in Allen, Johnson, Monroe, Tippecanoe and Vigo counties.
	Morning Edition	07/05/17	06:04	0:02:00	Medicaid spending on opioid addiction treatment in Indiana nearly doubled between 2015 and 2016, according to the DC-based think tank the Urban Institute.
	All Things Considered	07/05/17	16:00, 17:00, 18:00	0:01:00	Indiana will add five new opioid treatment programs across the state to help combat the ongiong drug abuse epidemic. Indiana Public Broadcasting's Jill Sheridan reports.

	Morning Edition	07/06/17	05:43, 06:43, 07:43, 08:43	0:00:30	State officials are adding five treatment centers around Indiana for people dealing with addictions to pain-killing opioid drugs. The Indiana Family and Social Services Administration announced Wednesday that the new sites will join 14 existing centers across the state providing medication-assisted treatment to help patients overcome addictions.
	Morning Edition	07/06/17	06:04, 07:04, 08:04	0:01:00	Indiana will add five new opioid treatment programs across the state to help combat the ongoing drug abuse epidemic. Indiana Public Broadcasting's Jill Sheridan reports.
	All Things Considered	07/11/17	16:00, 17:00	0:00:54	One Indiana county sherriff's department says it will no longer use the overdose antidote naloxone when responding to emergency calls.
	Morning Edition	07/12/17	06:04, 07:04, 08:04	0:01:03	News now on front-line struggles in the state's opioid abuse battle -- The Monroe County Sherriff's Department is not using the overdose antidote naloxone when responding to emergency calls because of the departments' low supply.
	Morning Edition	07/13/17	06:04, 07:04, 08:04	0:00:27	Here is an update on a story we brought to you yesterday. After announcing that it would stop using the overdose antidote drug naloxone on emergency calls, the Monroe County Sherriff's department says it is rescinding that new policy.
	Morning Edition	07/13/17	06:20, 07:20, 08:20	0:01:15	The Madison County Council will vote at its meeting next month whether to stop funding--or donations--to the county health department's needle exchange program. According to the Anderson Herald-Bulletin, the county council introduced an ordinance to stop funding the program which started nearly two years ago.
	All Things Considered	07/18/17	16:00, 17:00, 18:00	0:00:40	Federal officials say they've arrested eight people following an investigation into a drug trafficking organization that brought heroin from the Chicago area through Indiana and down to its southwestern counties.
	All Things Considered	07/19/17	16:00, 17:00, 18:00	0:00:57	A survey says more than a quarter of Hoosiers that have to give a life-saving dose of the opioid overdose revresal medication naloxone to friends or familh don't call 911 afterward,
	Morning Edition	07/20/17	05:43, 06:43, 07:43, 08:43	0:00:57	A survey says more than a quarter of Hoosiers that have to give a life-saving dose of the opioid overdose revresal medication naloxone to friends or familh don't call 911 afterward,
	Morning Edition	07/20/17	05:43, 06:43, 07:43, 08:43	0:01:30	Police arrested eight individuals in the dismantling of a heroin trafficking organizatin in the Evenasville area.
	Morning Edition	07/20/17	05:43, 06:43, 07:43, 08:43	0:02:10	Polic arrested eight individuals in the dismantling of a heroin trafficking organization in the Evansville area. Indiana Public Broadcasting's Samantha Horton reports... The targeted group was believed to be pipelining heroin from Chicago and allegedly distributed nearly 10 pounds of the drug over a nine-month period in Southwestern Indiana.
	All Things Considered	07/20/17	16:00, 17:00, 18:00	0:01:10	The organization Overdose Lifeline has been providing the overdose antidote naloxone and training to Indiana for years. Now it plans to bring a new drug prevention program to Hoosier students, the first time it'll be used in the US. As Indiana Public Broadcasting's Lindsey Wright reports, Grant County is one of the first to try the program.
	Morning Edition	7/21/17	05:43, 06:43, 07:43, 08:43	0:01:10	The organization Overdose Lifeline has been providing the overdose antidote naloxone and training to Indiana for years. Now it plans to bring a new drug prevention program to Hoosier students, the first time it'll be used in the US. As Indiana Public Broadcasting's Lindsey Wright reports, Grant County is one of the first to try the program.
	Morning Edition	7/25/17	06:04, 07:04, 08:04	0:01:00	A pharmacy in Indiana hopes to fight against the state's opioid epidemic by keeping better control of prescriptions and discouraging drug thieves. The Indianapolis Star reports that Denver-based health care company Cordant Health Solutions opened a controlled substance pharmacy in Indianapolis in October.
	Morning Edition	8/7/17	05:20, 06:20, 07:20, 08:20	0:00:20	Jerome Adams' confirmation as surgeon general means Indiana is looking for a new state health commissioner.

	Morning Edition	8/7/17	05:20, 06:20, 07:20, 08:20	0:00:27	With so many people in Indiana addicted to heroin and pain pills, some professionals who help people get off drugs are debating whether using medication to do it is the way to go.
	All Things Considered	8/8/17	16:00, 17:00, 18:00	0:01:15	Republican State Representative Jim Lucas wants Indiana to consider legalizing medical marijuana as a way to curb the growing opioid epidemic. Lucas says he is in favor of researching the option and plans to file a bill to legalize marijuana use for medical purposes. He says it could provide people with an alternative to addictive opioids.
	Morning Edition	8/9/17	06:43, 07:43, 08:43	0:01:45	Republican State Representative Jim Lucas wants Indiana to consider legalizing medical marijuana as a way to curb the growing opioid epidemic. Lucas says he is in favor of researching the option and plans to file a bill to legalize marijuana use for medical purposes. He says it could provide people with an alternative to addictive opioids.
	All Things Considered	8/9/17	16:00, 17:00, 18:00	0:01:00	Two Indiana counties have taken different approaches to needle exchange programs this week. In Madison County, the county council has defunded the two-year-old program. In a 5-2 vote on Tuesday night, the council barred county funds, donations, and gifts from supporting the program that provides IV drug users with clean syringes and collects used ones.
	Morning Edition	8/10/17	05:43, 06:43, 07:43, 08:43	0:01:30	One of the first Indiana counties to implement a syringe exchange is now the first in the state to effectively shut its program down. The Madison County Council approved an ordinance Tuesday evening pulling all funding from the syringe exchange program, which is run by the county's health department. Since the ordinance is retroactive, operations will cease immediately.
	Morning Edition	8/10/17	05:43, 06:43, 07:43, 08:43	0:02:00	As Madison County shuts down its needle exchange, the Tippecanoe County Health Department plans to inaugurate a needle exchange program in its building tomorrow (Fri.). Indiana Public Broadcasting's Charlotte Tuggle reports the program comes nearly a year after a public health emergency was issued for the county.
	Morning Edition	8/10/17	05:20, 06:20, 07:20, 08:20	0:00:15	Heroin is a big problem in Muncie, and the Muncie Police Department is looking to add a few more four-legged officers to the force. Officers are turning to the community for help. Right now the Muncie Police Department has just two dogs on the force, named Jan and Carlos. MPD wants more police dogs. Each one costs thousands of dollars. The department plans on launching a fundraising campaign this week to raise money for the new K-9s.
	Morning Edition	8/10/17	05:20, 06:20, 07:20, 08:20	0:00:15	The Madison County Council has voted to end its needle exchange program. The council voted 5 to 2 to pass an ordinance that prohibits the use of any money, either from county funds or gifts, for the purchase of needles and supplies.
	Morning Edition	8/11/17	05:43, 06:43, 07:43, 08:43	0:01:00	Lafayette Mayor Tony Roswarski says he doesn't think opposition from him and his police chief, as well as from their West Lafayette counterparts, led to the Tippecanoe County Health Department hosting the county's needle exchange program.
	All Things Considered	8/11/17	16:30, 17:30, 18:30	0:01:00	The state's newest needle exchange program tried to bar reporters from its first day of operation, despite working out of a public building. Today (FRI) was the first day of the exchange in Tippecanoe County, run by the county health department. Reporters were able to talk with a public health nurse until a few minutes before the exchange's scheduled 1 o'clock opening. She then claimed they had to leave the building.
	Morning Edition	8/14/17	05:20, 06:04, 07:04, 08:04	0:01:10	Southern Indiana's Clark County is extending its needle exchange program. Clark County commissioners voted Thursday night to continue the program through August 2018. County health officer Dr. Kevin Burke says he believes the discovery of new cases of hepatitis C shows the exchange is justified.
	Morning Edition	8/14/17	06:43, 07:43, 08:43	0:00:24	The drug problem in Madison County is leading to burglaries and other crimes, and the sheriff says it's the worst he's seen in his 35-year law enforcement career.

	Morning Edition	8/18/17	06:04, 07:04, 08:04	0:00:45	A group of Indiana prosecutors says it wants the legislature to increase penalties for drug dealers. Indiana Public Broadcastin's Barbara Brosher reports...the Association of Indiana Prosectuing Attorneys says holding people accountable is an important aspect of fighting the opioid epidemic.
	All Things Considered	8/21/17	16:30, 17:30, 18:30	0:01:00	Indiana's Medicaid will soon cover methadone treatment for people suffering from opioid addiction. As Jake Harper of Side Effects Public Media reports, that could mean more people seeking treatment...and savings for people already receiving it.
	Morning Edition	8/22/17	05:43, 06:43, 07:43, 08:43	0:01:15	Indiana's Medicaid will soon cover methadone treatment for people suffering from opioid addiction. As Jake Harper of Side Effects Public Media reports, that could mean more people seeking treatment...and savings for people already receiving it.
	Morning Edition	8/23/17	05:43, 06:43, 07:43, 08:43	0:04:10	Thousands of people are overdosing on opioids every year across the US. Many of those people end up in emergency rooms, and in a lot of cases, that's wehre treatment ends. But a hospital in Indianapolis is connecting people to addiction treatment through the E-R. Side Effects Public Media's Jake Harper spoke with one man who says the program helped him get into recovery.
	All Things Considered	8/23/17	16:30, 17:30, 18:30	0:04:10	Thousands of people are overdosing on opioids every year across the US. Many of those people end up in emergency rooms...and in a lot of cases, that's where treatment ends. But a hospital in Indianapolis is connecting people to addiction treatment through the ER. Jake Harper with Side Effects Public Media spoke with one man who says the program helped him get into recovery.
	All Things Considered	8/25/17	16:00, 17:00, 18:00	0:01:00	Indiana middle and high schoolers are using less tobacco, vapor, alcohol, and drugs. That's the finding of an annual Indiana Youth Survey that reaches more than 126 thousand Hoosier students.
	Morning Edition	8/28/17	05:43, 06:43, 07:43, 08:43	0:02:30	An annual survey of Indiana teens finds 6th to 12th grade students are using less tobacco, vapor, alcohol and drugs. Indiana Public Broadcasting's Jill Sheridan reports on the survey conducted at more than 400 Indiana schools.
	Morning Edition	8/28/17	06:04, 07:04, 08:04	0:01:30	The Indiana chapter of the National Organization for the Reform of Marijuana Laws or NORML (Normal) wants legalized medical marijuana to become a substitute for opioids in pain treatment. Indiana Public Braodcasting's Barb Anguiano reports on an Indianapolis forum aimed at educating the public in the midst of a stronger push for legalization.
	All Things Considered	9/1/17	16:30, 17:30, 18:30	0:01:05	The mission of a new police task force across the state is simple--arrest one drug dealer a day. Police say it's about creating a safe, drug-free state. But as Indiana Public Braodcasting's Lindsey Wright reports. Critics worry that policy is returning to the failed war on drugs of the 1970's.
	Morning Edition	9/4/17	05:43, 06:43, 07:43, 08:43	0:01:05	The mission of a new police task force across the state is simple--arrest one drug dealer a day. Police say it's about creating a safe, drug-free state. But as Indiana Public Braodcasting's Lindsey Wright reports. Critics worry that policy is returning to the failed war on drugs of the 1970's.
	Morning Edition	9/5/17	05:43, 06:43, 07:43, 08:43	0:02:30	Antibiotics are among the most commonly prescribed drugs, but they're expensive to make. And overuse of them has contributed to the rising threat of drug resistant bacteria. Indiana Public Broadcasting's Lindsey Wright reports, that's leading a Purdue researcher to tyr and repurpose other drugs to treat infections.
	All Things Considered	9/6/17	16:30, 17:30, 18:30	0:01:30	Indiana Attorney General Curtis Hill is clashing with the Centers for Disease Control and Prevention. The subject--needle exchanges, like the ones Indiana approved in 2015 to initially combat an HIV epidemic in Scott County. As Jake Harper with Side Effects Public Media reports, Indiana's Attorney General says the CDC is manipulating facts to promote needle exchanges.
	Morning Edition	9/7/17	5:43	0:01:30	Indiana Attorney General Curtis Hill is clashing with the Centers for Disease Control and Prevention. The subject--needle exchanges, like the ones Indiana approved in 2015 to initially combat an HIV epidemic in Scott County. Nine Hoosier counties were approved for a needle exchange...

	Morning Edition	9/7/17	05:43, 06:43, 07:43, 08:43	0:01:45	The Indiana State Department of Health has received a \$26 million federal grant that officials say will help provide treatment and counseling to people with HIV. The agency says the grant will help pay for psychiatric nurse practitioners and mental health and addiction counselors.
	Morning Edition	9/12/17	05:43, 06:43, 07:43, 08:43	0:02:00	The federal government has awarded the state a record-breaking \$26 million to help treat patients with HIV. As Side Effects Public Media's Sara Fentem reports, a big portion will go toward beefing up mental health and addiction treatment for HIV-positive people.
	Morning Edition	9/13/17	06:04, 07:04, 08:04	0:02:45	Indiana drug czar Jim McClelland led a discussion (Tuesday) at Purdue University on the state's opioid epidemic. The event included public health officials, police, Purdue faculty and people from the community. Indiana Public Broadcasting's Jill Sheridan reports to the Holcomb appointee reviewed what the state has done--and what it still must do--to combat the problem.
	Morning Edition	9/14/17	05:43, 06:43, 07:43, 08:43	0:01:00	A new Indiana law that allows people with certain types of epilepsy to use a marijuana-derived oil for treatment spurred a statewide crackdown which made it more difficult for those seeking the product to obtain it.
	Morning Edition	9/14/17	6:04	0:00:30	A new Indiana law that allows people with certain types of epilepsy to use a marijuana-derived oil for treatment has spurred a statewide crackdown, making it more difficult for those seeking the product to obtain it.
	Morning Edition	9/15/17	06:04, 07:04, 08:04	0:02:10	Indiana will receive more than three and half million dollars in federal funds to tackle the opioid epidemic. Indiana Public Broadcasting's Jill Sheridan reports the money will primarily be used to increase behavioral health services.
	Morning Edition	9/27/17	05:43, 06:43, 07:43, 08:43	0:04:45	Since an outbreak of HIV hit Scott County nearly three years ago, the state legalized syringe exchange programs. Eight counties have started their own, to prevent disease from spreading.
	All Things Considered	9/27/17	16:30, 17:30	0:04:45	Since an outbreak of HIV hit Scott County nearly three years ago, the state legalized syringe exchange programs. Eight counties have started their own, to prevent disease from spreading.
