**MUNCIE, IN, November 17, 2017** – I would like to clear up some confusion that the City of Muncie may be refusing to release public information. We apologize for the internal miscommunication created earlier this week, however, the City's refusal to release information is inaccurate. The city has always and will always be transparent to its citizens, providing any public information when requested. We have and will continue to provide any information as requested in accordance with the Indiana Code.

Sincerely,
